

ELNATHAN WEED.

JANUARY 3, 1832.

Mr. HUBBARD, from the Committee on Revolutionary Pensions, made the following

REPORT:

*The Committee on Revolutionary Pensions, to whom was referred the petition of Elnathan Weed, of the State of New York, report:*

That it appears from the petition and affidavit of the said Elnathan Weed, that he enlisted into the army of the United States in the revolutionary war, under Captain Silvanus Brown, in the month of May, 1775, for the period of nine months, and was attached to Colonel David Waterbury's regiment: that he marched with said regiment from the city of New York to Ticonderoga, and thence into Canada, and was at the battle at St. John's; after which, he was taken sick, and was conveyed to the hospital: that, after the expiration of said enlistment, he received an honorable discharge from said service; after which, he again enlisted into the service of the United States, in the year 1776, under Captain Keeler, for the period of nine months: that the regiment to which he was attached marched into the State of New Jersey, where he was in several skirmishes with the enemy: that, after the expiration of said last mentioned enlistment, he received an honorable discharge from said service. It also appeared that he was in the service, at different periods, during the greater part of the war; which facts are fully proved by the testimony of Stephen Bishop and David Lockwood, soldiers of the revolution.

It also appears that the petitioner is 73 years of age; that he is now in a feeble state of health, and wholly unable to labor; and that he is in indigent circumstances, and stands in need of the assistance of his country for his support.

The committee are of opinion that the petitioner is entitled to a pension, and, therefore, report a bill.
